RESEARCH AND PUBLISH

Author | Artificial Intelligence in International Immigration Management: A Comparative Legal Analysis of the United States, Canada, and the European Union

2025.04

- Authored an academic essay presenting a comprehensive comparative analysis of practical cases and legal frameworks of AI application in international immigration management among the US, Canada, and the EU, analyzing the strengths and weaknesses of their legal frameworks, and assessing their impact on the efficiency and security of immigration management.
- See Critical Humanistic Social Theory (Online ISSN: 3005 - 9291) Vol. 2 No. 1 (2025), which is scheduled for publication in September 2025.

Joint Author | Research on issues related to maritime credit supervision

2022.03 - 2022.10

Followed my Mentor to jointly undertake a government research project. Conducted research on legal issues related to the construction of the credit system in the field of maritime supervision. Took the lead in writing Chapter 5 and Chapter 6, namely the issues of credit repair in the construction of the maritime credit system and suggestions for the construction of the maritime credit system.

Winner | Won the Second Prize of Second National Security Law Essay Competition hosted by the Shanghai Law Research Association

2021.12

- Authored an article on the Law of the People's Republic of China on Safeguarding National Security in the Hong Kong (HKSAR), focusing on its implementation—particularly Article 38 (protective jurisdiction). The analysis addressed challenges in international cooperation and inter-regional conflicts during the law's enforcement, proposing solutions to refine its application in Hong Kong and enhance cross-border collaboration between Mainland China, Hong Kong, and Macao. This aimed to harmonize national security legal frameworks and safeguard national security both domestically and internationally.
- As the only "master" to share this essay at the doctoral forum, which is the 2021 East China University of Political Science and Law International Law Doctoral Forum on the Construction of China's Foreign-related Legal System under the Centennial Journey.
