**Request for conditional Confirmation of Enrolment (CoE) for  
commencement at UQ in Semester 1 2026**

You can be considered for a conditional CoE to commence your UQ studies in Semester 1 2026 if:

- Your final academic results and award (if applicable) will not be released by your academic institution prior to the start of Semester 1 2026;
- You are confident that you will meet or exceed the entry requirements for your UQ program with your final results (as evidenced by your most recent transcript); *and*
- You are able to provide a certified copy of your final academic results and award (if applicable) by **Tuesday, 24 March 2026**

With a conditional CoE, **you will still need to meet the conditions of your offer letter**. The difference is that you have until Tuesday, 24 March 2026 to provide evidence of this. If you do not provide this on time and/or you do not meet all conditions, you may not be able to continue your studies at UQ. Your CoE may be cancelled and this may have an impact on your student visa.

You should not request a conditional CoE if you are unsure about your ability to meet the requirements above at this time. Please contact a UQ approved agent or International Admissions at the email address below for further advice.

**To be completed by the student only**

I, Shuheng DUAN, request a conditional Confirmation of Enrolment (COE) so that I may commence my studies at UQ in Semester 1 2026 and apply for a student visa when needed. I acknowledge and understand that:

- I have not yet provided confirmation that I meet the entry requirements for my program; *and*
- I will provide a certified copy of my final transcript/award (if applicable), confirming that I have met all the conditions of my UQ offer by 24 March 2026; *and*
- If I do not provide this evidence by 24 March 2026 and/or I do not meet all conditions of my offer, there is no guarantee I will be permitted to continue in my UQ program. In such a case, my CoE may be cancelled. This may also have financial implications for me and may impact on any student visa that I have.
