# PORTFOLIO SIYAN ZENG

#### AT HOME, AT THE ZOO (2024) • WORK 1

Director: Yuyan Zhang

Selected for screening at the 2024 Short Film Corner of Cannes Film Festival.

Acted as the director of photography

Gu Jia can't find her sense of existence at home. Her husband is indifferent and alienated from her. She has been preparing for pregnancy for three years without fruit, but she still bears the pressure of childbirth. Until this day, her husband brought home a boy who was preparing for the college entrance examination. It was the "intruder" of this family that made Gu Jia's life like stagnant water.
