WORK EXPERIENCE

Jinshahu Experimental School

Art Teacher

Hangzhou, China
Aug. 2017 - Present

Responsibilities:

- Conducted art classes across elementary levels and trained students of the school’s calligraphy club to participate in provincial, municipal, and district-level competitions
- Handled class management, parent-teacher communication, and student follow-up calls
- Took charge of school admission promotions and new student registration during summer and winter breaks
- Engaged in teaching research activities, organizing internal calligraphy contests, and frequently presenting open demonstration lessons

Key Achievements:

- Led the calligraphy club to participate in provincial, municipal, and district-level competitions, with students winning second and third prizes at the provincial level, first prize at the municipal level, and first, second, and third prizes at the district level
- Received multiple awards in district-level teachers’ painting and calligraphy competitions, as well as school-level awards for educational papers and teaching demonstration competitions
- Published a research paper in a core academic journal
- Obtained multiple patents, including Appearance Design Patents and Utility Model Patents

RESEARCH EXPERIENCE

Research on Chinese Garden Art

Author

Fuzhou, China
Sep. 2016 - Jan.2017

- Conducted research on Chinese Garden Art which focused on the representative classical gardens of Suzhou, with a specific emphasis on their historical evolution and cultural significance
- Analyzed the distinctive techniques employed in Suzhou gardens, including landscape layering, water management, and architectural layout, to unveil the poetic and artistic essence embedded within these classical landscapes
